FILE Report 5

MEMORANDUM FOR: Deputy Director for Administration

FROM: Robert W. Gambino
Director of Security

SUBJECT: Office of Security Significant Activities
Week of 8 June 1978 (U)

REFERENCE: DDA Administrative Instruction No. 74-5

1. (U) This memorandum is for information only.

2. (U) The activities of the Office of Security during
the week of 8 - 14 June 1978 were highlighted by the following
items:

25X1A

a. (C) During the reporting period, Industrial Contractor Polygraph Program briefings were presented to [redacted]. These corporations were generally receptive but requested time to study the program prior to making a final commitment. The [redacted] Corporation was also briefed. This company appeared substantially less receptive but also deferred any final decision.

25X1A

b. (U) On 14 June, Mr. Albert P. Albrecht, Deputy Assistant Administrator for Engineering and Development, Department of Transportation, was given a denied-area travel briefing prior to a trip to Moscow and Kiev where he will head a delegation of Air Traffic Controllers.

c. (U) During the period 7 to 8 June, representatives of the Department of Justice and Federal Bureau of Investigation reviewed Agency file holdings on the [redacted]

25X1A

[redacted]
Security will continue to work with the Office of General Counsel on any additional requests relative to this investigation.

25X

~~CONFIDENTIAL~~

d. (U) On 8 June, representatives of the Office of Security met with the Government Accounting Office personnel to complete administrative details pertaining to the GAO's investigation for Congressman Joshua Eilberg into Immigration and Naturalization Service handling of Nazi war criminal cases. Parallel investigations are being conducted by the Chief of the Special Litigation Unit of the I&NS, who formally requested Agency information on an individual of interest and indicated that between 169 and 200 other cases may require some Office support.

e. (U) Since 9 June, this Office has received six new requests from the House Select Committee on Assassinations requiring access to files and references on 47 individuals and copies of any photographs on 57 individuals.

3. (U) Projected Office of Security activity of possible interest at the Directorate level includes:

The Office of Security is coordinating security arrangements with the Federal Bureau of Investigation in support of the Director's anticipated trip to Owensboro, Kentucky, on 22 June, to attend the American Academy of Achievement Golden Plate Awards. Other dignitaries expected to attend this function include the Director of the FBI, Attorney General, Judge Sirica, and other famous personalities including authors, sports figures and entertainers.

15 JUN 1978

MEMORANDUM FOR: Deputy Director for Administration

FROM: Robert W. Gambino
Director of Security

SUBJECT: Status of Task Force Industrial
Security Recommendations (U)

1. Action Requested: None; for your information only.

2. Background: This Office has begun to implement the security recommendations made by the Task Force on Industrial Contracts and Industrial Security. To date the following actions have been taken:

a. New additions to the Office of Security portion of the Headquarters Regulations have been drafted which give the Director of Security responsibility for the overall coordination of the entire industrial security effort of the Agency; for the physical security protection of communication centers; and for functional supervision over all Industrial Security Officers (ISO's), including direct communication avenues with each of them. The new additions are now being coordinated with the Office of Logistics and the Office of Communications.

25X1A

b. A proposed restructuring of the industrial security staffing [redacted] has been sent to you via the Director of Logistics.

c. New LOI's on the ISO's assigned to the Security Staff/Office of Logistics have been prepared and are being reviewed by this Office.

d. Initial meetings on a centralized index have been held.

e. Attendance by a representative of the Director of Security at ISO monthly meetings conducted by both Agency and national programs has been inaugurated.

3. In order to keep you abreast of implementation activities and aware of any problems that may develop, this Office will include a status report for you with our regular weekly Significant Activities reports.
